

Maryland Child Care Resource Network

Child Care Demographics 2009

Maryland Report

Maryland is the center of the Boston-Atlanta corridor on the Atlantic Seaboard. The State borders Washington, D.C., the nation's capital. Among the 50 states, Maryland ranks 42nd in size and 19th in population. Its per capita income is the 4th highest in the U.S. Approximately 90% of Maryland's 5.6 million residents live in the Baltimore-Washington corridor.

Named one of the Top Ten states for child care for six consecutive years by Working Mother magazine, Maryland continues to receive excellent marks for the quality and safety of its child care and for its commitment to improving child care.

Maryland Committee for Children, Inc. (MCC), as operator of the Statewide Child Care Resource Network, has prepared the Child Care Demographics Maryland Report series for those interested in child care trends across the state. The series includes reports for the State, for each of Maryland's 23 counties and the City of Baltimore.

This publication was produced as a work for hire for the benefit of, and with funds from, the Maryland State Department of Education.

Number of Children 0-5 Years Per Regulated Child Care Space by Census Tract

This map is based on the total population of children 0-5 yrs. Child population numbers are taken from Geolytics, Inc. Estimate Professional 2008/2013. When assessing the need for child care, the results of the National Child Care Survey 1990 also should be considered which indicate that approximately 66% of the working mothers surveyed used no supplemental care or utilized care by relatives, caregivers in the child's own home, or other arrangements. Only 34% utilized care in regulated out-of-home settings. See "National Child Care Survey 1990" in definition section for additional information.

Definitions

Before/After-School Care: School-Age child care offers care to children enrolled in Kindergarten or above. Care is provided before and/or after school and during school holidays/vacations. Programs are licensed by the Office of Child Care. Programs may operate from a school building or other licensed facility.

Census of Population and Housing: There are two versions of the 1990 Census questionnaire: a short form which asks a limited number of population and housing questions of all households, and a long form questionnaire which asks additional social and economic questions of a sample of all households. The data contained in the Census Summary Tape File 1 A (STF 1 A) are based on the questions which were asked of all persons, while the data from the Census Summary Tape File 3A (STF 3A) are based on the sample questionnaire. The user should note that data obtained from a sample are subject to sampling variability, and that there are limitations to many of these data.

Child Care: The care or supervision of a child when the child's parent has given the child's care over to another for some portion of a 24-hour-day as a supplement to the parent's primary care of the child. (OCC)

Child Care Center: Child care provided in a facility that, for part or all of the day, provides care to children in the absence of the parent. Centers are licensed by the Office of Child Care.

Child Care Subsidy Program (formerly POC): Provides financial assistance to eligible families in securing care for their children in registered family child care homes or licensed child care centers while parents/guardians are attending school, working, or in job training.

Children with Special Needs: Children who, because of a disability or other special educational, developmental, physical, emotional, behavioral, or medical condition, require additional care, or whose activities are restricted by a certain condition. (OCC)

Current Median Family Income: Current median family income is the value presented in the Economic Development Intelligence System, (EDIS) 2nd Quarter 2008 report.

Current Population Estimates: Current population estimates are based on GeoLytics, Inc. Estimate Professional 2008/2013.

Educational Attainment: The highest level of school completed or the highest degree received. Educational attainment figures were used for persons over 25 years of age. (U.S. Bureau of the Census)

Effective Buying Income: Personal income less personal tax and nontax payments. It is commonly known as "Disposable personal income." (DBED)

Employer-Sponsored Centers: A child care center located on-site or off-site which is sponsored by a corporation, business, or other employer. Employees are given priority for enrollment slots.

Family Child Care: The care given to a child younger than 13 years old or to a developmentally disabled person younger than 21 years old, in place of parental care for less than 24 hours a day, in a residence other than the child's residence and for which the provider is paid. Regulations allow a family child care provider to care for as many as eight children at any time. (OCC)

Family Household Income: Family includes a householder and one or more persons living in the same household who are related to the householder by birth, marriage, or adoption. A household can contain only one family for purposes of census tabulations. Information on money income received in the calendar year 1999 was requested from persons 15 years and over. (U.S. Bureau of the Census)

Head Start: Project Head Start provides comprehensive developmental services for children from low-income families. Head Start is comprised of four components including Education, Health, Parent Involvement, and Social Services. Head Start Centers serve children from age 3 to school entry age from income eligible families.

Infant/Toddler: In the State of Maryland, "infant" means a child under 18 months old. "Toddler" means a child 18 months old or older but younger than 2 years old. (OCC)

Kindergarten: An instructional program for children who are 5 years old by September 1st of each academic year. Programs may be operated by a private or public school. Kindergarten is the year of school which precedes entrance to first grade.

The National Child Care Survey 1990: (NCCS) contains information on demand and parental preferences for care based on a nationally representative sample of families with children younger than age 13. The NCCS examined the type of care and education (excluding formal schooling) that parents use to supplement their own care of children. Employed mothers were surveyed regarding the primary supplemental care arrangements used for the most hours per week by their youngest child excluding school or kindergarten attendance.

Definitions

The results indicate that 66% of the employed mothers surveyed used no supplemental care, or utilized care by relatives, by caregivers in the child's own home, or other arrangements. Family child care homes or child care centers were used as the primary supplemental care arrangement by the remaining 34%. The mother's utilization of out-of-home care varied with the age of the child, with 42% of children under 3 years of age, 60% of children ages 3-4 years, and 21 % of children 5-12 years placed in these settings for supplemental care.

Nursery Schools: An instructional program approved or exempted by the Maryland State Department of Education for children who are two through four years old. The maximum length of the program is 6 hours per day, however most operate only a few hours per day and may meet only two or three times per week for a nine month period.

Owner Costs with Mortgage (Selected Monthly): The sum of payments for mortgages, deeds of trust, contracts to purchase, or similar debts on the property; real estate taxes; fire hazard, and flood insurance on the property; utilities; and fuels. It also includes, where appropriate, the monthly condominium fees or mobile home costs. A housing unit is owner-occupied if the owner or co-owner lives in the unit even if it is mortgaged or not fully paid for. (U.S. Bureau of the Census)

Part Day: A program regulated by OCC with an educational focus for children one or two years before entering kindergarten. These programs are usually 2-3 hrs/day, 2-3 days/week, nine months/year.

Pre-Kindergarten: These are publicly funded pre-kindergarten programs for eligible 4-year-old children administered by local boards of education or qualified vendors. The programs have the overall goal of providing learning experiences to help children develop and maintain school readiness skills necessary for successful school performance. Local school systems shall enroll all 4-year-old applicants from economically disadvantaged or homeless families.

Poverty Level: The poverty guideline for a family of four persons was \$21,200 in 2008. (U.S. Department of Health and Human Services, OCT 2008)

Renter Occupied Gross Monthly Rent: Monthly contract rent plus the estimated average monthly cost of utilities and fuels, if these are paid by the renter. All occupied housing units which are not owner-occupied, whether they are rented for cash rent or occupied without payment of cash rent, are classified as renter-occupied. (U.S. Bureau of the Census)

Small Centers: A small center is licensed by the Office of Child Care for a maximum of 12 children. It may be in a residential or non-residential setting.

Unemployment Rate: Civilians 16 years old and over are classified unemployed if they (1) were neither "at work" nor "with a job but not at work" during the reference week, and (2) were looking for work during the last four weeks, and (3) were available to accept a job. Also included were civilians who did not work at all during the reference week and were waiting to be called back to a job from which they had been laid off. (U.S. Bureau of the Census)

Youth Camps (Licensed): A day camp, residential camp, travel camp, or trip camp licensed by the Department of Health and Mental Hygiene.
